SPONSOR A CHILD  
TRANSFORM A LIFE

## We Need Your Help

New Hope Christian Academy is a private school located in the Germantown section of Philadelphia. It is our mission to provide stellar education to underprivileged children in the area who otherwise could not afford it.

With the Sponsor A Child program, we are able to keep the cost of tuition affordable for low-income families.

Your contribution will assist us in making the future brighter for our youth.

## Sponsor A Child

It costs New Hope \$8000 a year to educate one student. Parents are expected to contribute \$5000 per student each year. In an effort to keep costs lower for families, NHCA is asking churches, businesses, and individuals to partially or fully sponsor a student. Those who donate can take pride in knowing that their donation is enabling students to receive a Christ-centered, academically challenging, and technologically advanced education that otherwise may have been unaffordable.

Sponsors create a powerful incentive for low-income families to send their children to private, faith-based schools. Being a sponsor is truly and opportunity to make a direct and lasting impact on the life of a child.
